

CONFIDENTIAL

18 January 1968

MEMORANDUM FOR: Mr. J. Edward Lyerly
Deputy Legal Adviser for Administration
Department of State
Washington, D. C.

SUBJECT: S. 1035

1. Attached is a copy of the letter we sent to Tom Hughes on 14 December 1967 with various attachments including:

- Tab A 19 May 1967 letter from the Attorney General to Senator Sam J. Ervin, Jr.
- Tab B 22 September 1967 letter from CIA General Counsel to Assistant Attorney General J. Walter Yeagley
- Tab C 25 September 1967 letter from Director of Central Intelligence to Chairman Rivers
- Tab D 30 November 1967 letter from Assistant Attorney General Frank M. Wozencraft to CIA General Counsel

In addition, I think it might help fill out the picture if you had available copies of the AEC letter to the Director of the Bureau of the Budget of 2 May 1967 and the AEC letter to Senator Ervin of 16 May 1967.

2. Our report to the Bureau of the Budget was simply a copy of the letter which is included in the package from the Director to Chairman Rivers. We merely transmitted a copy of that letter saying it was our

CONFIDENTIAL

report. While the letter to Rivers is referred to in the correspondence as a draft letter, in fact the letter was sent both to Chairman Rivers and to Chairman Mahon.

3. I would think that review of these before our session on 24 January would be helpful and would certainly put you on a par as to knowledge of what others have been thinking. I look forward to seeing you on the 24th.
